## FUNDRAISING

### Volunteer Opportunities

### RESA Thrift Shop:

This is RESA's main fundraiser and is in operation all year round! Located at Bldg. 2494, across from the Shoppette/Gas Station on Ramstein Air Base. All profits go back into the Kaiserslautern Military Community (KMC).

- Tagging clothes, placing merchandise on shelves, sorting donations, and light clean up around the shop. Occasional Night Crew for busy seasons. We appreciate any help you could offer, especially in aiding our RESA employees in keeping the Thrift Shop running smoothly.

### RESA Fresh Lemonade Stand:

Our infamous hand-squeezed lemonade and Southern sweet tea at the RESA Fresh Lemonade Stand is available at various events throughout the KMC. Funds raised through our endeavors enable us to give back to the community.

- Setting up and tear down, manning the stand and other prep needs.

Here are some of the many organizations that, in the past year, RESA has supported:

- Meals and/or Volunteer Time:**
- USO
  - Club 7
  - The Fisher House
  - Deployed Families Monthly Events
  - Rheinland Inn Dining Facility

Total of 15,000 Volunteer Hours from our RESA Members in 2019! *Amazing!*

## Volunteer Opportunities

### Food Donation:

These and other food donation volunteer opportunities are happening all the time with RESA.

- We ask you to shop and prepare themed meals and treats for a specific event. Save your receipts for reimbursement when turned in to our Welfare Treasurer. All hours spent shopping, actively cooking, and dropping off count for your volunteer hours.

### RESA Promotion Events:

These events are a fun way to get those hours in.

- Help promote RESA through sharing your experiences or simply aiding with other marketing/promotional needs such as manning the tables, handing out flyers and giveaways, etc.

### Community Events:

These are Community Events that are requesting for RESA's volunteer support. This can be one of the most rewarding opportunities and experiences at the KMC!

- From assisting deployed families enjoying an evening out, to serving Airmen celebrating a special birthday meal, and helping school kids with various events throughout the year.

### CHILDCARE FOR VOLUNTEERS:

Reimbursement is available at official RESA fundraisers. Rates are based on the Ramstein CDC fees. **EARN DOUBLE VOLUNTEER HOURS per child** when you elect to watch over another RESA member's child.
